La scuola che costruiremo a Busasamana, nel distretto di Nyanza, garantirà a 100 bambini dai 2 ai 6 anni l'accesso a servizi di istruzione pre-scolastica di qualità, all'interno della loro comunità. L'assistenza educativa che assicureremo loro sarà decisiva nell'aiutarli ad affrontare il passaggio successivo, quello della scuola primaria. Questi bambini avranno così molte più possibilità di apprendere a leggere e scrivere, imparare una professione e porre fine alla povertà e all'ingiustizia che limitano le loro prospettive di vita. Oltre a loro, raggiungeremo anche gli altri, in Italia e nel Mondo, soprattutto se riusciremo a raccogliere più dei 50.103 euro di questo progetto.
